➤ Please find below the answers to the queries raised

Question	Answers
What is the total length of the network?	Network length has to be estimated by the contractor. They can use internet resources or other previously surveyed maps to get these estimates. Under the project, all roads in the island should have a network pipe.
Do the projects require a pump house?	All pumps above ground should be kept in a sheltered space, such as a pump house.
Do the projects require a house meter connection?	Yes. All water supply house connections should come with a meter
Do we have to quote a lump sum price for each of the projects?	Yes, but breakdown should be given for activities as per the BoQ provided.
