AUDITOR GENERAL'S REPORT

TO THE PRESIDENT, THE PEOPLE'S MAJLIS AND THE MINISTER OF FINANCE, ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE GOVERNMENT OF THE MALDIVES FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023

Introduction

This report expresses an opinion on the Consolidated Financial Statements (CFS) of the Government of Maldives for the financial year ended 31 December 2023, in accordance with the Audit Act (Law no. 4/2007), and also expresses an opinion on whether government spending is aligned with the annual budget approved by the People's Majlis, met its intended objectives, and complied with public finance legislation.

Additionally, the report presents any audit findings and recommendations to the Minister of Finance, the President, and the People's Majlis, as required by the Public Finance Act (Law no. 3/2006) and Article 213 of the Constitution, and it will be published on the Auditor General's Office website www.audit.gov.mv.

The report is made up of three sections. Section one comprises of our opinion on the CFS and section two presents our opinion on compliance with the PFA and the Public Finance Regulation (PFR) and the parliamentary authorities in spending out of the budget it has approved for the Government.

The issues observed in this report have been discussed with the senior officials of the Ministry. We place on record our appreciation to the staff members of the Ministry and all those who have extended their cooperation to this audit.

Report on the Financial Statements

Responsibility of the Minister

It is the responsibility of the Minister under section 38 (c) of the PFA to submit to the Auditor General the CFS within 14 days of receipt of the same from the Accountant General. And under section 38 (a) of the PFA, the Accountant General is required to prepare and submit CFS to the Minister within three months after the end of the financial year.

The CFS for the financial year ending 31 December 2023 shall be prepared based on the framework established, pursuant to public finance legislation. The Ministry of Finance, via section 15.03 of PFR, has adopted the International Public Sector Accounting Standard: Financial Reporting under the Cash-Basis of Accounting (IPSAS). Financial statements prepared and presented under this standard are required to include a statement of receipts and payments, a statement of comparison of budget and actual amounts (if the approved budget is made available publicly), and accounting policies and explanatory notes. Thus, CFS have to be prepared and presented in accordance with the said standard.

In addition to the financial statements required under IPSAS Cash Basis of Accounting, pursuant to section 38 (b) of PFA, the Minister is also required to prepare and present a statement of estimates of revenues and expenditures for each Public Fund that is eventually passed by the People's Majlis for that year; a statement of actual revenues and expenditures of each of the Public Funds; and a statement each as at the end of the financial year for assets, liabilities, and contingent liabilities of the State.

Under sections 42 (b) and (c) of the PFA, the Minister is responsible for controlling and managing the Public Bank Account, the Public Funds and the financial affairs of the State. And under section 42 (c) of the PFA, the Minister is also responsible for ensuring that full and accurate accounting of the Public Bank Account, the Public Funds and the financial affairs of the State are duly submitted to the Auditor General and the People's Majlis.

Responsibility of the Auditor General

Our responsibility, under section 39 of the PFA, is to express an opinion on the CFS based on our audit and submit the audit report to the Minister. We conducted our audit in accordance with International Standards on Auditing (ISAs). Those standards require that we comply with ethical requirements (including International Independent Standards) and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement, whether due to fraud or error.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and presentation of the financial statements. An audit also includes evaluating the appropriateness of accounting policies used

and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

An audit involves examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. It cannot be relied upon therefore to identify all errors and weaknesses that may exist.

Qualified Opinion on the Financial Statements

In our opinion, except for the effects of the matters described in paragraphs (1) to (3) under Basis for Qualified Opinion, the accompanying CFS of the Government of Maldives present fairly, in all material respects, cash receipts, cash payments, and budget amounts for the year ended 31 December 2023 and cash balance as at the year then ended, in accordance with International Public Sector Accounting Standard (IPSAS): Financial Reporting under the Cash Basis of Accounting.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis for Qualified Opinion

1. Beginning and Closing Cash Balances not presented in the Financial Statements

Paragraph 1.3.12 (c) of the IPSAS Cash Basis requires presentation of beginning and closing cash balances on the Statement of Receipts and Payments. However, beginning and closing cash balances have not been presented in the Statement of Receipts and Payments. Additionally, some bank accounts of the State have not been integrated into the Public Accounting System (SAP).

Therefore, we were unable to determine whether any adjustments were required and their resulting impact on the CFS.

2. Expenditures not recognised in CFS for FY 2023

Third party disbursements made directly to the contractors totalling MVR 2,140,405,624 relating to the financial year ended 31 December 2023 have not been recognised in the CFS 2023.

Had the omitted transactions been properly recognised, total expenditure for the year would have increased from MVR 55,759,123,621 to MVR 57,899,529,245 billion. Due to this omission, the total expenditure has been materially misstated.

3. Incorrect Presentation of Budgetary Figures in CFS for FY 2023

- a) Section 1.7.2 of International Public Sector Accounting Standard: Financial Reporting under the Cash Basis of Accounting states that the approved budget reflects anticipated revenue or receipts, and expenses or expenditures approved by a legislative body.

However, we noted that Approved Budget column of the Statement of Comparison of Budget and Actual Amounts reflects not only the Approved Budget, as defined in the Standard, but also Supplementary Budget passed by the Parliament during the financial year. Therefore, the Approved Budget has been misrepresented in the financial statements for the financial year ending 31 December 2023.

- b) Section 1.7.8 of International Public Sector Accounting Standard: Financial Reporting under the Cash Basis of Accounting states that the comparison of budget and actual amounts shall present separately the original and final budget amounts, and actual amounts on a comparable basis.

However, we noted that revised budget column in the Statement of Comparison of Budget and Actual Amounts not only included budgeted figures, but also actual expenditures, such as payments from trust funds, grants, loans, and contributions. This has led to misrepresentation of both budgeted and actual amounts, and therefore the Statement did not provide an accurate comparison of budgeted and actual amounts.

Report on Compliance with Public Finance Legislation

Responsibility of the Minister

It is also the responsibility of the Minister to spend funds out of budget approved by the Parliament for the purposes intended in the budget, and within the limits set therein; and to comply with the PFA and the PFR in conducting the financial affairs of the Government.

Responsibility of the Auditor General

In addition to the responsibility to express an opinion on the CFS, it is also our responsibility to express an opinion on whether the Government has spent funds, in all material respects, out of the annual budget approved by the People's Majlis for the achievement of its objectives, for the purposes intended in the budget, and within the limits set therein; and has complied with the PFA and the PFR in conducting its financial affairs.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Qualified Opinion on Compliance with Public Finance Legislation

In our opinion, in all material respects:

- a) Except for the effects of the matters described in paragraphs (1) and (2) under the Basis for Qualified Opinion on Compliance with Public Finance Legislation below, the Government of Maldives has spent out of the annual budget approved for the financial year 2023 by the Parliament; to achieve the objectives, purposes and limits set therein, in accordance with the public finance legislations; and

- b) Except for the effects of the matters described in paragraphs (3) and (4) under the Basis for Qualified Opinion on Compliance with Public Finance Legislation below, other financial affairs of the Government of Maldives for the year ending 31 December 2023 have been conducted in accordance with the PFA and PFR.

Basis for Qualified Opinion on Compliance with Public Finance Legislation

1. Expenditure made beyond the approved budget

Clause 96 (c) of the Constitution and Clause 4.03 (a) of the Public Finance Regulation (PFR) mandate that expenditures must not exceed the Parliament-approved budget without prior approval of the Parliament. However, we noted that for the financial year ending 31 December 2023, third party disbursements totalling MVR 2,140,405,624 directly paid to the contractors for which the Ministry has received confirmation were not recorded in the CFS 2023. As such for the financial year ended 31 December 2023 the Government of Maldives spent MVR 2,123,842,800 beyond the approved budget of MVR 49,350,071,800, contravening Clause 96 (c) of the Constitution.

2. Overspending on Public Sector Investment Program (PSIP)

Clause 4.03 (a) of Public Finance Regulation and Clauses 1 (c) and 7 (f) of the Budget Virement Policy require that PSIP expenditures remain within the approved budget and be used solely for their intended purposes.

In the financial year 2023, PSIP expenditures exceeded the approved budget of MVR 10,338,178,021 by MVR 1,662,694,332.

Spending beyond budget was a significant non-compliance with the aforesaid clauses of the public finance legislation that undermine fiscal discipline, financial governance and accountability.

3. Fixed assets register not updated

According to section 11.03 (d) of the PFR, the Ministry is required to maintain a fixed assets register containing all the assets of the State. The Ministry has disclosed in the notes to CFS that all assets of the State were not included in the Statement of Assets as at 31st December 2023, because the Government was in the process of verifying the Property, Plant and Equipment (PPE) and its valuation at the reporting date. The Ministry also has included in the Statement of Assets, the legacy assets derived from Neelan Portal (a system maintained for recording legacy assets).

The PPE value stated in the Statement of Assets is the value derived from SAP. However, changes to assets' condition and location were not updated in the SAP. Assets maintained in the Neelan portal are assets purchased prior to the year 2009 and are fully depreciated.

4. Sovereign Development Fund's (SDF) statement not presented in the CFS

According to Clause 18 (a) of PFA (Law No: 3/2006), the accounts of public funds, including the SDF that are required under the PFR, have to be maintained by the Minister in accordance with that regulation. Clause 38 (b) further mandates that the annual accounts of the State must include the estimated revenue and expenditure for each public fund, as well as a detailed account of the income and expenditure for each public fund during the fiscal year. However, the Ministry has not presented a fund statement for the SDF for the financial year ending 31st December 2023 as part of CFS.

Matters arising from the Audit and Recommendations for Improvements

Financial Statement Issues

1. Beginning and Closing Cash Balances not presented in the Financial Statements

Paragraph 1.3.12 (c) of the IPSAS Cash Basis requires presentation of beginning and closing cash balances on the Statement of Receipts and Payments. However, beginning and closing cash balances have not been presented in the Statement of Receipts and Payments. Additionally, some bank accounts of the State have not been integrated into the SAP. Therefore, we were unable to determine whether any adjustments were required and their resulting impact on the CFS.

Presentation of beginning and closing cash balances is critical for providing users with a clear understanding of the Government's cash position and movements during the financial year.

Recommendation

We recommend the Ministry to present opening and closing cash balances in the financial statement, pursuant to section 1.3.12 (c) of Cash Basis IPSAS. Further, maintain all bank accounts of the State in SAP.

2. Expenditure not Recognised in the CFS

Third party disbursements made directly to the contractors totalling MVR 2,140,405,624 have not been recognised in the CFS for the financial year ended 31 December 2023. Had the omitted transactions been properly recognised, total expenditure for the year would have increased from MVR 55,759,123,621 to MVR 57,899,529,245 billion, and the payments would have been materially misstated.

Our audit examined major State projects funded by loan components recorded in the Commonwealth Secretariat Debt Recording and Management System (CS-DRMS) to ensure accurate recording of third-party expenditures in SAP. These third-party disbursements of the loan component have correctly been recorded in the CS-DRMS. However, we identified that third-party payments totalling MVR 2,140,405,624 for the FY 2023 were not correctly recorded in the SAP and reported in the CFS for FY 2023.

And we noted that the Ministry received confirmations of these third-party payments by the statutory deadline for submitting the CFS – 14th April 2024.

Recommendation

We recommend that the Ministry:

- a) Post transactions as per the accounting policies specified as per the Government's Accounting Manual;
- b) All commitments for expenditures are timely recorded in the SAP and timely reconciliations are carried out;
- c) Ensure transactions are recorded in the year in which they are incurred;
- d) Conduct a comprehensive review to the present accounting practices and accounting system to ensure accurate and reliable financial information and financial statements are produced; and
- e) Monthly reconciliations be done timely and authorised by appropriate level and any discrepancies identified and timely action taken to reconcile and clear the discrepancies.

3. Incorrect Presentation of Budgetary Figures in CFS

- a) Section 1.7.2 of International Public Sector Accounting Standard: Financial Reporting receipts under the Cash Basis of Accounting states that the approved budget reflects anticipated revenue or receipts, and expenses or expenditures approved by a legislative body.

However, we noted that Approved Budget column of the Statement of Comparison of Budget with Actual Amounts reflects not only the Approved Budget, as defined in the Standard, but also Supplementary Budget passed by the Parliament during the financial year. Therefore, the Approved Budget has been misrepresented in the financial statements for the financial year ending 31 December 2023.

- b) Section 1.7.8 of International Public Sector Accounting Standard: Financial Reporting under the Cash Basis of Accounting states that the comparison of budget and actual amounts shall present separately the original and final budget amounts, and actual amounts on a comparable basis.

However, we noted that revised budget column in the Statement of Comparison of Budget and Actual Amounts not only included budgeted figures, but also actual expenditures, such as payments from trust funds, grants, loans, and contributions. This has led to misrepresentation of both budgeted and actual amounts, and therefore the Statement did not provide an accurate comparison of budgeted and actual amounts.

Recommendation

We recommend that the Ministry present the budgetary figures in the Statement of Comparison of Budget and Actual Amounts in accordance with Section 1.7.2 and 1.7.8 of International Public Sector Accounting Standard: Financial Reporting under the Cash Basis of Accounting.

Compliance Issues

1. Expenditure made beyond the Approved Budget

Clause 96 (c) of the Constitution and Clause 4.03 (a) of the Public Financial Regulations (PFR) mandate that expenditures must not exceed the Parliament-approved budget without prior approval of the Parliament.

However, for the financial year ending 31 December 2023 third party disbursements made directly to the contractors totalling MVR 2,140,405,624 relating to financial year ending 31 December 2023 have not been recognised in the CFS 2023. Consequently, total expenditures in the Statement of Comparison of Budget and Actual amounts of MVR 49,333,508,976 have been understated. And we note that this is a significant non-compliance with the aforesaid clauses of Constitution and PFR that results in spending MVR 2,123,842,800 over and above the Parliament's approved budget of MVR 49,350,071,800 (initial approved budget 42,840,801,398 + supplementary budget 6,509,270,402).

Recommendation

We recommend the Ministry to:

- Ensure all expenditures remain within the budget approved by Parliament, as stated in Clause 96 (c) of the Constitution and Clause 4.03 (a) of the PFR; and
- Obtain prior parliamentary authorisation for any additional expenditures to ensure full compliance with legal and regulatory requirements.

2. Overspending on Public Sector Investment Programme (PSIP)

Clause 4.03 (a) of PFR and Clauses 1 (c) and 7 (f) of the Budget Virement Policy require that PSIP expenditures remain within the approved budget and be used solely for their intended purposes. However, we observed that during the financial year 2023, PSIP expenditures exceeded the initial approved budget of MVR 10,338,178,021 by MVR 1,662,694,332.

Table 1: PSIP budget, actual and variance for the financial year 2023

Detail	MVR	MVR
Initial Approved Budget for PSIP		8,552,286,773
Supplementary budget for PSIP		
Hdh. Hanimaadhoo Airport upgrade	335,680,221	
Addu City land reclamation and shore protection	344,295,876	
34 islands water and sewerage facility	293,521,104	
POLCO housing flats	150,345,866	
Greater Male' Connectivity Project (Male'-Thilafushi Bridge)	146,159,459	
Gdh. Thinadhoo revetment works and land reclamation	97,363,460	
Fuvahmulah road development	85,057,780	
M. Muli airport development	77,243,997	
Maldives sustainable fisheries resources development project	67,564,205	
S. Gan airport upgrade	61,086,264	
Addu City Road development	73,931,219	

School construction – Hulhumale’	53,641,797	
Supplementary budget for PSIP		1,785,891,248
Final Budget for PSIP		10,338,178,021
Actual Spending in 2023 for PSIP		(12,000,872,353)
Overspending on PSIP in 2023		(1,662,694,332)

Source: Consolidated Financial Statement 2023, Approved Budget 2023 & Supplementary Budget 2023

The Ministry has informed us that major spending beyond the PSIP budget was due to faster progress of projects during the year than estimated. However, our audit noted the following to the contrary of the Ministry’s explanation:

- Expenditures from previous years were recorded in the year 2023,
- Substantial third-party expenditures were recorded via JV without adequate supporting documentation for audit verification,
- Contracts were signed and advance payments were processed after the budget was exhausted.

The above findings of our audit indicate that initial project budgets were inadequate, and reallocations occurred at the expense of other projects. The practice of under-budgeting to remain within the ceiling limits of budgets for AGAs, followed by reallocations results in budget overruns and significant carry forward commitments.

Recommendations

We recommend that the Ministry:

- a) Improve PSIP budgeting by incorporating all planned government projects for the year ahead;
- b) Implement the PSIP budget strictly as approved by Parliament; and
- c) Adhere firmly to the Budget Virement Policy to ensure compliance and fiscal discipline.

3. Fixed assets register not updated

In accordance with section 11.03 (d) of the PFR (2017/R-20), the Ministry is mandated to maintain a fixed assets register that includes all State-owned fixed assets. However, we noted that the PPE values disclosed in the Statement of Assets were derived from the SAP system. The SAP system’s asset records are not updated as per PFR, as essential details such as asset numbers, locations, and changes in asset conditions and locations were not adequately updated.

The Ministry disclosed in the notes to the CFS that not all fixed assets of the State were included in the Statement of Assets as of 31st December 2023, citing an ongoing government process to verify PPE and its valuation. Additionally, legacy assets were disclosed at cost in the notes to the Statement of Assets.

Our audit also noted that the Ministry utilizes the Neelan Portal to record legacy assets of all AGAs before their migration to the SAP system. However, the asset register contains inaccuracies and inconsistencies in asset data, requiring the Ministry to manually filter and extract legacy asset data. Additionally, not all AGAs have submitted a complete legacy asset

register on the Neelan Portal. To ensure accurate record-keeping and maintain data integrity, it is imperative that the asset register be thoroughly reviewed and updated.

As a result of these deficiencies, we were unable to verify the completeness, accuracy, and valuation of the PPE disclosed in the Statement of Assets as at 31st December 2023.

Recommendation

We recommend the Ministry to keep the fixed assets register updated, pursuant to section 12.05(d) of the PFR (2023/R-158).

4. SDF Statement not presented in the CFS

Clause 18 (a) of PFA, the accounts of public funds, including the SDF, are required to be set out in the PFR and maintained by the Minister in accordance with that regulation. Clause 38 (b) further mandates that the annual accounts of the State must include the estimated revenue and expenditure for each public fund, as well as a detailed account of the income and expenditure for each public fund during the fiscal year.

However, the Ministry has not presented a fund statement for the SDF for the financial year ending 31st December 2023 as part of CFS.

The Ministry has informed that their technical team is working on implementing necessary changes to SAP and the 2024 CFS.

Recommendation

We recommend the Ministry include a fund statement for the SDF as part of the CFS, in accordance with the requirements of the Public Finance Act.

Other Issues

1. Discrepancies in Dividend reported in CFS and Third-Party Confirmations

As per the Statement of Assets dated 31st December 2023 (Note: 57.3), a total of MVR 3,293,711,799 is recorded as dividends receivable from SOEs. We noted significant discrepancies between the amounts reported in the SAP system and third-party confirmations received from the respective SOEs.

The Ministry attributed the discrepancies between third-party confirmations and the CFS to the following:

- Certain SOEs have unilaterally offset amounts receivable from the State against their dividend payable in their financial statements, whereas the Ministry requires approval from the Privatization and Corporatization Board (PCB) or the President's Office before recording such offsets.
- Set-off agreements exist; however, the Ministry does not have the corresponding payable amounts to record these transactions in SAP.

- Set-off entries remain unrecorded in SAP as the relevant set-off invoices have not been entered into the system.
- Dividend declaration letters have not been received by the Ministry, resulting in unrecorded dividends.

Due to the aforesaid discrepancies, we were unable to verify the completeness and accuracy of the Dividends Receivable amounting to MVR 3,293,711,799 as presented in the Statement of Assets as at 31st December 2023.

Table 2: Dividend receivables (CFS and Third-party verifications)

SOEs	SOE Confirmations	SAP	Variance
Island Aviation Services limited	94,442,299	38,481,204	55,961,095
Maldives Airports Company	343,208,709	565,398,057	(222,189,348)
Maldives Ports Limited	274,627,630	259,621,405	15,006,225
Maldives Transport and Contracting Company	1,308,720	39,218,736	(37,910,016)
Maldives Water and Sewerage Company	756,561,984	665,106,081	91,455,903
STELCO	64,916,439	42,916,682	21,999,757
Maldives Post Limited	31,691,426	31,691,426	-
Housing Development Corporation	209,140,600	460,070,789	(250,930,189)
State Trading Organization	382,076,260	702,263,346	(320,187,086)

The Ministry has informed that, under IPSAS standards, dividends from SOEs can only be recorded as receivables when there is a probable inflow, and the amount is reliably measurable. Formal dividend declaration letters from SOEs are required to record the dividend. Additionally, set-off transactions can only be posted when formal agreements are signed and relevant payables are recorded in SAP.

Recommendation

We recommend that the Ministry:

- Reconcile the Dividend Receivables records within the SAP system to the accounting records of the SOEs during the preparation of the CFS of the State; and
- Develop and implement a policy, along with relevant procedures, to ensure that dividend set-offs are processed by the SOEs only after receiving documented approval from the Ministry.

2. Incomplete Data collected through the FIYES

AGAs are required to record asset and liability balances in the FIYES module, with these records being approved by their respective Finance Executives (FEs). The data collected is subsequently used to track these balances in the Statement of Assets and Statement of Liabilities.

Our comparison of receivables data from FIYES and the reported balances in the respective entities' financial statements revealed significant discrepancies. Some AGAs have failed to

enter receivables balances into FIYES, while others demonstrated a lack of consistency in data submission. These discrepancies are further illustrated by the table below, which highlights variances identified through our test of transactions on a sample basis.

Table 3: Accounts receivables data submitted on FIYES by AGAs

BA Name	AGA FS	FIYES	Variance
Maldives Inland revenue Authority	7,583,911,397	7,582,863,954	1,047,443
Maldives Customs Services	462,822,075	483,037,806	(20,215,731)
Ministry of Higher Education, Labour and Skills Development	254,247,452	573,856,780	(319,609,328)
National Social Protection Agency	19,716,254	19,677,254	39,000
Ministry of Health	5,256,241	-	5,256,241

Upon communication of these discrepancies, the Ministry manually restated the accounts receivable amounts in the CFS. However, some FIYES amounts are yet to be updated.

The Ministry has informed that several discrepancies in the receivable records have been addressed. In some cases, overstated or unrecorded receivables in FIYES were corrected, and the CFS has been revised accordingly. There were also instances where mismatches between data files were identified and rectified. In some cases, entities confirmed that their FIYES records were correct, and adjustments are expected to be made in their financial statements. Additionally, some entities had not updated FIYES records, but the Ministry has informed them to make the necessary updates.

Furthermore, in 2023, the Ministry has written off 23 cases related to revenue receivables, including amounts for rent, fines, and interest on loans, totaling MVR 5,681,363,474. The relevant AGAs did not reflect these deductions in their financial statements and FIYES. The Ministry manually adjusted the receivable account balance in the CFS 2023 to account for these write-offs.

Table 4: Summary of written-off receivables

Details	Amount MVR
Fines relating to the delay of deliver goods or services by the agreed date	490,205
Fines relating to Parking Stickers and traffic violations	15,745,759
Rent and Fines- relating to Land and Resorts	5,608,426,431
Loans	13,979,497
Other	42,721,582
Total	5,681,363,474

Furthermore, we identified that contingent liabilities were not recorded in FIYES. These discrepancies are detailed in the table below.

Table 5: Discrepancies of Contingent liabilities on CFS and FIYES

Details	CFS	FIYES	Variance
Court cases related to Government agencies	7,668,218,833	-	7,668,218,833

The Ministry has informed that the Attorney General's Office handles cases related to contingent assets and liabilities, and AGAs do not have updated information on these cases. Therefore, data for contingent assets and liabilities in the CFS is sourced from the Attorney

General's Office rather than FIYES, as FIYES data is incomplete. The Ministry confirmed that the disclosures in the CFS align with the list provided by the Attorney General's Office.

These above findings raise concerns about the accuracy, completeness, and consolidation of information obtained from controlled entities via FIYES in comparison to the balances reported in the CFS' Statement of Assets and Statement of Liabilities.

Additionally, we noted that the Ministry of Finance has issued a policy for recording Property, Plant, and Equipment (PPE), but no guidance has been provided for recording other assets and liabilities. This lack of uniformity has resulted in inconsistencies, with some entities reporting the total amount of outstanding receivables, while others only report amounts that are currently due.

Recommendation

We recommend that the Ministry develop and issue a standardized policy for recording and reporting all assets and liabilities. This policy should be communicated to all AGAs to ensure consistency in data submission and improve uniformity across all government entities.

Government of Maldives

Consolidated Financial Statement

Accounting Policies and Notes to the Financial Statements

1. General Information about the Government of Maldives

The Government of Maldives has its seat in its capital Male’.

Principal activities of the government include providing services to the general public, promoting welfare and enforcing law to establish justice. In addition to this, making the country and community a safe place, improving the economy, developing health, education and transport sector and empowering women are also some of the other main activities of the government.

The activities carried out by the Government of Maldives are governed by the relevant legislations of the Maldives.

2. Accounting Policies

The financial statements have been prepared in accordance with the Law on Public Finances. The Public Finance Regulation, determines that the State financial statements shall be prepared in compliance with the International Public Sector Accounting Standard; Financial Reporting under the Cash Basis of Accounting (“Cash-basis IPSAS”).

The financial statements are prepared, in all material respects, in line with the Cash-basis IPSAS as adopted by the Government of Maldives, except the that the opening and closing cash balances have not been included in the Statement of Receipts and Payments.

The notes to the financial statements are an integral part to understanding the statements and shall be read in conjunction with the statements.

2.1. Reporting Entity

The scope of consolidation of the consolidated financial statements of the Government of Maldives includes the State; the accountable government agencies and its controlled entities (government agencies, also known as state agencies).

Consolidation disclosures of significant controlled entities are provided in note 3.

2.2. Public Funds

The financial statements include the Public Funds in accordance with the Law on Public Finances except for Sovereign Development Fund. Sovereign Development Funds are included in Loans and Capital Works Fund.

- Consolidated Revenue Fund
- Loans and Capital Works Fund
- Trust Fund

Government of Maldives

Consolidated Financial Statement

- Advance Fund

2.3. Reporting Period

The period covered for the Statement of Receipts & Payments and Statement of Comparison of Budget and Actual is from 1st January 2023 to 31st December 2023. In addition to this period, it also includes all the transactions processed (posted) in the next 30 working days of the following financial year. Those transactions are posted in the Public Accounting System: SAP, as transactions of 31 December every year.

2.4. Authorization Date

State Consolidated Financial Statements for the fiscal year 2023 was authorized for issue on 28th March 2024 by Minister of Finance.

2.5. Basis of Preparation

The State Consolidated Cash Receipts and Payments Statement and the Statement of Comparison of Budget and Actual Amounts are prepared in accordance with IPSAS Cash Basis and budgetary basis, which is explained in note 2.10 below.

The information on assets and liabilities, which are reported in the notes to the financial statements, is prepared in accordance with accrual accounting policies explained in note 2.11.

2.6. Reporting Currency

The State Consolidated Financial Statements are presented in Maldivian Rufiyaa (MVR).

2.7. Inter-Agency Transactions

Inter-agency transactions have been eliminated in consolidation.

2.8. External Assistance

External assistance is received from bilateral agencies, multilateral agencies, financial institutions and NGOs. In respect of payments that benefit government but are disbursed by donors to third parties, the funds are recorded upon receipt of notification that the disbursement has been made.

External assistance represents the amounts received in the form of loans and grants from donor agencies, under agreements specifying the purposes for which the assistance will be utilized.

2.8.1. Third Party Payments

Goods and services purchased on government's behalf as a result of cash payments made by third parties during the period by way of loans and grants are included in the financial statements as third-party payments.

Government of Maldives

Consolidated Financial Statement

2.8.2. Committed Undisbursed Balance

Undrawn external assistance loans and grants at reporting date are the amounts specified in a binding agreement which relate to funding for projects currently under development, where conditions have been satisfied, and their on-going satisfaction is highly likely, and the project is anticipated to continue to completion, but no withdrawals have been made from such loans or grants yet.

2.8.3. Aid in Kind

Aid in-kind, from local and foreign parties, are disclosed in notes to the financial statements at fair value as at the date of acquisition.

2.9. Translation of Foreign Currencies

Payments and receipts denominated in foreign currencies are translated into MVR at the rates of exchange ruling at the transaction date. Cash and cash equivalents at the reporting date (31 December 2023) are translated at the closing rate of the year.

2.10. Budget and Comparison of Budget and Actual Amounts

2.10.1. Approval of the budget

Government of Maldives

Consolidated Financial Statement

61. Abdul Samad Memorial Hospital

MOF special budget and Pension Budget expenses are also included in the GoM Budget.

2.10.4. Budgetary Basis

The budget basis is a modified cash basis in accordance with public finance act and public finance regulation and is broadly aligned with Government Finance Statistics (GFS) 2014.

2.10.5. Original and Final Approved budget and comparison of Actual and Budget amounts

The budget is prepared on the same accounting basis (Cash Basis), same classification basis, and for the same period as for the financial statements; from 1st January 2023 to 31st December 2023. It encompasses the same entities as the consolidated financial statement – these are identified in note 2.10.3 above.

The original budget was approved by the parliament on 28 November 2022 and a supplemental appropriation of MVR 6,509,270,402 was approved by the parliament on 20 November 2023. The original budget included a contingency provision to be applied to meet the urgent expenditures which were not foreseen at the time the budget was prepared.

2.11. Accounting Policies related to Assets and Liabilities

Additional information on assets and liabilities is reported in the notes to the financial statements in accordance with the Law on Public Finances and encouraged additional disclosure requirements under IPSAS Cash Basis.

2.11.1. Statement of Assets as at 31 December 2023

This statement includes some*, but not all, assets held by the State which comprises of assets that are inventories which is considered as an expenditure in the financial statement.

The statement includes accounts receivable, property, plant and equipment, investments in state-owned enterprises and cash and cash equivalents.

* The Government commenced the process of physical verification of the Property, Plant and equipment, Legacy asset records and Accounts receivables integration work, to ensure proper data and valuation records in the financial statements. Verified up to date records are reported in the financial statement as encourages additional disclosures under IPSAS Cash Basis.

2.11.1.1. Property, Plant and Equipment

Property, plant and equipment are valued at historical cost less accumulated depreciation. Payments for property, plant and equipment are treated as capital expenditure in the Statement of Receipt and Payments.

Transactions of fixed asset recorded outside public accounting system are currently recorded in the Neelan portal; legacy assets. These records are not recorded in SAP due to system

Government of Maldives

Consolidated Financial Statement

configuration. Records of legacy assets are disclosed separately under Property Plant and equipment.

Furthermore, settlement of capital work in progress in the public accounting system; SAP was started on year 2022, thus projects opened starting from year 2021 was being settled in the public accounting system. Prior year capital projects have not been settled in the system. These are reported under Work in progress as at year ended 31st December 2023.

2.11.1.2. Investments

Investments in the financial statements consist of mainly investments in state-owned enterprises. Additionally, investment figure also includes amount invested from Sovereign Development Fund. Investments are valued at historical cost without impairment.

Investments amount is stated based on information from the public accounting system as well as the information provided from outside the public accounting system.

2.11.1.3. Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, balance of public bank account and other government accounts at Maldives Monetary Authority and balance of government accounts at Bank of Maldives. Amounts used as balances of accounts in Bank of Maldives is based on the information received from the bank and government agencies as at 31 December 2023. Cash on hand amount is based on cash released to agencies via public accounting system's "cash journal" and outside the public accounting system as cash on hand.

2.11.1.4. Accounts Receivables

Accounts receivables are valued at historical cost. This includes tax receivables, Non-tax receivables, dividends receivables and subsidiary loans receivables. As the government records are on IPSAS cash basis, receivable records are maintained outside the Public Accounting System except dividend receivables. Dividend receivables are being recorded in the Public Accounting System; SAP.

The Government has commenced Accounts receivables integration work, to ensure proper data and values are recorded in the financial statements.

2.11.2. Statement of Liabilities as at 31st December 2023

This statement includes the financial liabilities of the Government, such as accounts payable, refundable deposits, trust fund payables, the State's borrowings (short and long term), interest payables and accrued pension liabilities. Accounts payable, refundable deposits and trust fund

payables are reported from Public Accounting System. All other records are maintained outside the Public Accounting System.

Government of Maldives

Consolidated Financial Statement

2.11.2.1. Accounts Payables

Accounts payable are valued at historical cost. Where invoices submitted on or before 31st December 2023 is recorded as accounts payable.

Invoices received after the year end; 31st December 2023 for good and services received on or before 31st December 2023 is recorded as an accounts payable in the current year; 2024.

2.11.2.2. Borrowings

Government debts include domestic & foreign borrowings.

2.11.2.3. Contingent Liabilities

Government of Maldives

Consolidated Financial Statement

6. Reconciliation

This note presents a reconciliation of actual amounts on a comparable basis to the budget and actual amounts in the financial statements.

There is no entity difference. Hence, Budget and Statement of Receipts and Payments are prepared on cash basis for the general government sector. The total payment of Statement of Receipt and Payment include payments such as refundable deposits, capital held in multilateral institutions and repayment of loans. However, the Statement of Comparison of Budget and Actual is prepared excluding these payments. Therefore, there is a basis difference.

A reconciliation between the actual amounts in the comparison of budget and actual amounts and the amounts of receipts and payments reported in the consolidated cash receipts and payments statement for the year ended 31st December 2023 is presented below.

Details	Total Expenditures (MVR)
Total expenditure in the Statement of Comparison of Budget and Actual	49,333,508,976
Basis differences	6,425,614,645
Total payments in the Statement of Receipts and Payments	55,759,123,621

7. Comparison of Approved Budget and Actual Amounts

Explanation of material differences between actual amounts and the approved budget is given below.

The total Revenue and Grants approved for 2023 was MVR 32.50 billion, however the actual amount received as Revenue and Grants MVR 34.16 billion in 2023. This is an increase of MVR 1.66 billion than estimated.

Also, the Approved Budget for the year 2023 was MVR 49.35 billion, whilst the actual spending for the year was MVR 49.33 billion, which is MVR 16.5 million less than approved budget.

The estimated Overall Deficit for 2023 was MVR 14.73 billion. However, the actual Overall Deficit for the year was MVR 12.96 billion by the end of 2023 which is MVR 1.76 billion less than the estimated deficit.

8. Sovereign Development Fund

As the country undergoes an infrastructure scale up financed primarily via debt, it is important to ensure that the burden of servicing this debt does not pose an undue burden on future generations. To ensure this intergenerational equity, it is important for current generations to generate savings to service the debt in the future. It is for this purpose that in August 2016 the government has decided to establish the Sovereign Development Fund (SDF), to serve as a fiscal reserve to service debt in the future. The SDF has been established on 2017 and deposits are now being made into the Fund. The custodian of the fund is Maldives Monetary Authority.

Government of Maldives

Consolidated Financial Statement

The SDF will ensure intergenerational equity in debt servicing and boost the confidence of investors.

9. Dividends

Dividend income is recognized in the public accounting system upon receipts of dividend. Dividend receivables are being recorded in SAP upon dividend declaration from State Owned Enterprises.

Dividend receipts and receivables are recorded in the Public Accounting System. Dividend payments and set off from SOEs are determined by a policy of the PCB.

10. Additional Notes

Restatement due prior adjustment

a. Previous year Adjustments

Asset related transactions have been excluded from financial statements, except for Assets and Liability statement as theses are not cash transactions.

b. Trust fund

Trust fund balances are not classified as liability in nature and the trust fund related transactions are consolidated in Financial Statements.

Government of Maldives
