Query	Response
1. There is no clause in the tender letter to write the project duration. Should we write the total duration of the project or is it fixed by the Ministry? If fixed, could you please inform us of the maximum project duration so we can prepare the work schedule accordingly?	Project duration is fixed for 300 days
2. In regards to the total lump-sum fixed price in the letter of tender, are we required to write the total price of 1 housing unit or the total of 30 housing units?	Total price of 30 housing units
3. For the design and build project, are we required to include the drawings we have designed in the bid? Or will this be done in another manner?	Have to submit a concept drawing for the bid. Once awarded, the concept will be further developed.
