IP CAMERA (APPROVE FROM TD)

POWER SOCKET (IN THE CEILING) FOR PROJECTOR AND PROJECTOR SCREEN. MUST INCLUDE HDMI CONNECTIONS FROM FLOOR TO PROJECTOR

PROJECTOR SCREEN

PROJECTOR

The diagram is a detailed first-floor power layout for a police accommodation. It features six rooms (Room 1 to Room 6), a laundry area, a recreation room, and several toilets. Each room is equipped with various electrical fixtures as indicated by the legend: power sockets (2.4M, 1.2M, 0.3M, and 15A versions), emergency lights, WiFi sockets, network sockets, television outlets, ceiling exhaust fans, and IP cameras. The recreation room includes a projector and a projector screen. The layout also shows a central staircase and a corridor connecting the rooms. Electrical symbols are placed throughout the plan to show the location and type of each fixture.
