

## **List of information held and maintained by the Ministry**

- **Weekly Fiscal Developments**

Weekly Fiscal Developments (WFD) provides a set of tables on the summary of government finances, detailed expenditure and revenue out-turns, and government borrowing for the reporting week.

- **Monthly Fiscal Developments**

Provides a set of tables on the summary of government finances, detailed expenditure and revenue out turns for the reporting month.

- **Green Fund Report**

Monthly summary of Green Tax receipts and expenditures to and from the Maldives Green Fund.

- **Government Finance Statistics**

Government finance statistics (GFS) covers all financial activities of the government as per GFSM 1986 format.

- **Consolidated Financial Statements**

Annual financial statements for the Government of Maldives (GoM). The financial statements provide the records of the GoM financial performance and the financial position.

## **Reports and Analyses**

- **Budget in Statistics**

Provides annual budget statistics.

- **Fiscal and Debt Strategy Report**

Provides a midyear update of the economic situation, a review of budget outturn and execution in the first six month of the year and prospects for the rest of the year. It also encloses the Fiscal Strategy Statement and Debt Strategy Statement prepared in accordance with the Fiscal Responsibility Act (7/2013).

- **Public Debt Bulletin**

Provides the disbursed outstanding debt of the Government including guaranteed and on-lent loans, external and domestic debt breakdowns, and summary debt statistics for the reporting period.

- **Quarterly Report of State Owned Enterprises**

In the quarterly reports, the profitability and liquidity of each company is analyzed along with the important projects undertaken in the quarter.

- **Quarterly Economic and Fiscal Developments**

Provides an overview of economic and fiscal developments.

- **HARMONIZATION OF PROCUREMENT POLICIES OF STATE-OWNED ENTERPRISES**

This book highlights the Functions of Procurement Department and Job Descriptions of Procurement Staff.

- **PROCUREMENT PROCEDURES AND GUIDELINES FOR STATE OWNED ENTERPRISES OF MALDIVES**

The SOE Procurement Procedures Guidelines has been compiled to provide guidance to officials responsible for procurement in the SOE sector. It is intended as policy and a guiding tool for the practice of procurement in SOEs, ensuring efficiency, and application of procurement best practices. It also serves to facilitate the standardization of procurement practice across all SOEs in the Maldives with a view to ensure an efficient and transparent procurement system that is central to good financial management and offers equal opportunities for eligible competitors.

- **JOB CLASSIFICATION FRAMEWORK FOR STATE OWNED ENTERPRISES**

The purpose of this framework is to provide a structured guideline for all the SOEs to assist their boards and remuneration committees to determine and classify employee levels and remuneration bands to establish a coherent and harmonized job classification policy and system within the SOEs.

- **Procurement Procedures and Guidelines for SOEs**

## **Occasional Publications**

- **Bodu Bandeyrin**

A historical study of the former heads of Ministry of Finance & Treasury.
