TES/2022/W007- Construction of 03 Storey Building, 08 Classroom and Multipurpose Hall at Th.Hirilandhoo School

Contractor Comments	Response/Reference Document
1. Can we request the location for Temporary accommodation and material storage?	There is a space only for material storage not accommodation.
2. Is there any demolition work at site?	Yes.
3. How about the water and Electricity facility availability at site?	Contractor has to apply for temporary connection.
4. Status of Harbor for Landing Craft.	There is a harbor that can be used.
5. How far from peoples living area to work site?	The school is in the middle of the locality.
6. Can we use island ground water for construction work?	Yes. But it has to be clean water as specified in the technical specs.
7. How many trees are in work site? Removal or relocation is required?	No tree.
8. Can we use local sand for block making?	Yes
9. Need more details of demolition building including area, no of stories, structural details and etc. Can we request the site visit?	Yes. Contractor has to visit the site and check
10. There is a 03 Storey Building drawing set. Is it included to tender and does its quantity are included to the BOQ quantity?	There are 2 separate BOQs for 2 buildings
11. Are you allow to make the Cement Blocks at site?	Yes
12. Can you provide any specification about Carpet Flooring?	Any carpet flooring will be fine
13. Are you recommending any brand for "Suspended acoustic ceiling system"?	Any brand will be ok
