1. Is the Item b) asking for the related project experience?

Yes. You have to submit your previous experience on similar activities with supporting documents.

2. Is there any detailed requirement for Item c) & d)?

Yes. Under item c - you have to submit proof of financing for the said project.

Under item d – you have to include a detail plan of how to finance, implement the project and your proposed plan to recover the investment.

3. Detailed background information of this project.

The Government of the Republic of Maldives represented by the Ministry of Environment and Energy (MEE) is planning to interconnect the existing electrical system at Male', Hulhule' and Hulhumale' via a 132kV transmission cable network.

The project will run two high voltage cables of each rated to carry 100MW at 132kV level. The 132kV cables between Male' and Hulhule' will be laid on the Maldives China friendship bridge presently being constructed. The 132kV cables between Hulhule' and Hulhumale' will be laid on land. At Male', Hulhule' and Hulhumale', 132kV/11kV substations will be built to interface with the existing 11kV network.

The project aims to alleviate space constraints in Male' to add new generation to meet the load growth and at the same time provide the possibility to supply Hulhule' load demand from the generators in Hulhumale'.

4. Could you please explain the in more detail with information on where the connection start point and end point will be, whether a new substation is required?

Please refer to answer 3 above.

5. Procurement, installation of high voltage cables and substations
Contractor will undertake the works mentioned in the answer 3 above under contractor financing model.

$6. \ \ A\ brief\ description\ of\ the\ proposed\ plan$

Please refer to answer 2 above.

Deadline for Submission of Expression of Interest is <u>1300hrs Local Time on 03rd</u> <u>April 2017 (Monday)</u>.
