

# STRUCTURAL CHECKER'S CERTIFICATE

## for structural design compliance - category A1

1. I Mohamed Ahsan being a registered checker, hereby certifies that I have in accordance with Male' Planning Regulation and other applicable regulations relevant to planning, design and construction of buildings set out by the Government Authorities, have carried out an evaluation and review of the drawings of the building works attached and to the best of my knowledge and belief the drawings do not show any incompliance in the design of the building to be erected or by the works carried out in accordance with those drawings.
2. In arriving at my conclusion, I confirm that I have reviewed and checked the design in accordance with the building regulations using the following criteria:-
  - a. Codes of practice adopted in the design;
  - b. Including wind load, construction load or dynamic load, (if applicable) checked;
  - c. Standards and specifications of structural elements;
  - d. Structural design concept and identification of the key structural elements;
  - e. Structural analysis and design of all key structural elements including foundation systems;
  - f. Stability of structural frame;
  - g. Structural detailing;
  - h. Others specify.....
