Comments on Construction of Proposed 08 Storey Classroom Block at CHSE

Clarification 1

Contractor Comments	Response/Reference Document
1. What is the condition of existing site? Are there any demolishing works or for cutting trees?	2 storey building (4 labs), store room, tea room, 2 toilet. 1 tree (ofieley)
2. Can we get water and electricity for construction work under existing site condition?	FOR RENT AVAILABLE
3. Is there any space for material storage?	NO
4. Can we use Manufacture sand for the concrete work?	For concrete manufacture sand can be used. For masonry plaster work ok, but for block work no
5. Can we use MRDC blocks for walls?	No
6. Do we need to include street main feeder cable for our scope?	Firstly, to check if required number of meters can be obtained from the existing panel board. IF NOT, length to be determined on site.
7. Please provide the detail drawing for the shoring method?	We do not provide this for any other project
8. For renovation walls (existing building) - The Quantity Given in BOQ as Renovation Wall (Existing Building) and wall thickness mention As 150mm Solid Block can Explain. It's a part of New Work Or Addition To new Work ?	PART OF THE NEW WORK
9. The Quantity Given In BOQ 2200 wide bridge Link 2nd & 3rdFloor any Details for That weather It's a RCC type Bridge or Steel Bridge?	Steel Platform
10. Can you give aluminium cladding brand name?	We do not propose the exact brands. It is up to contractor to propose the brand, specs and get material approvals.
11. Can you give AC brand name?	We do not propose the exact brands. It is up to contractor to propose the brand that meets the specs in M&E drawing.
12. Do we need to include electrical main panel board?	YES

13. Bathroom fittings chromium finish or plastic finish? Please give brand name?	Chromium finish. We do not propose the exact brands. It is up to contractor to propose the brand, specs and get approvals.
14. In BOQ some renovation qty included like door and windows, masonry, plastering & painting etc...it is existing building qty or new building qty?	All <u>renovation</u> works are for existing building
15. In BOQ under plumbing, Rain water system is included. Please clarify it.	System is not included. Only pipes are included.
16. Please provide the Technical Specification	Attached with this Clarification
