

# MONTHLY FISCAL DEVELOPMENTS

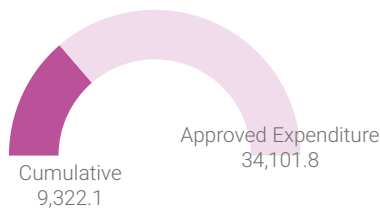

## March 2022

Revenue and Grants for March 2022 stood at MVR 2,708.99 million, which is a 43.4 percent increase compared to March 2021. A significant proportion of this relative increase is due to the marked increment in GST receipts.

Total Expenditure for March 2022 increased by 30.3 percent compared to the same month of 2021. Compared to March 2021, Capital Expenditure increased by 40 percent and Recurrent Expenditure increased by 26.8 percent. The relative hike in Capital Expenditure was due an increase in Land and Buildings and other infrastructure Assets.

Fiscal Balance for the month of March 2022 gives an overall deficit of MVR 1.26 million.

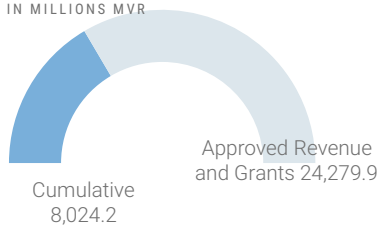

### EXPENDITURE IN MILLIONS MVR

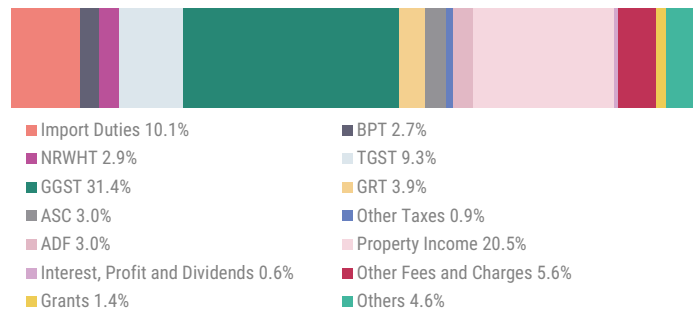

### EXPENDITURE COMPOSITION - MARCH

### REVENUE AND GRANTS IN MILLIONS MVR

### REVENUE AND GRANTS COMPOSITION - MARCH

#### Note:

Total expenditure include figures where budget was consumed in 2021, but has been recorded as an expense in 2022. Negative figures represent reversal entries posted to the Public Accounting System during the review period for which purchase orders were raised in previous periods. Cumulative 2020 expenditure is likely to be understated as expenditure for this period includes reversal entries for transactions for which budget has been consumed in 2021.

As of 04th November 2021, Council Grants are included in the budget unlike the previous months.
