#	Bidder's Query	Response
1	Clause 8 of the ToR: To be eligible for this assignment, the consultancy firm must demonstrate past experience in performing the services (description of similar assignments, Value of such assignments). The description of similar assignment and value of the assignment are not mentioned in the ToR	Similar assignment here refers to supervision of harbour construction projects, quaywall construction projects, breakwater construction projects and port construction projects. The TOR says the Combined value of 4 projects should be 1 million USD. This means the total sum value of any selected 4 projects in the past 5 years, should be more than 1 million USD.
2	Clause 9 of the ToR: are the specific experience limited to only Harbour and Port projects or other donor funded infrastructure projects such as coastal, water and sanitation and reclamation projects will be accepted as specific experience?	No. It has to be harbour and port projects. Coastal, Water and Sanitation projects have no connection with Harbour reconstruction projects
3	Can a local firm be associated as a nonexclusive subconsultant to two bidders?	Yes, that is acceptable.
