CLARIFICATIONS

#	Question	Answers
1	Under 1.4 Project Team "The following staff members will be required for each package and should not be repeated in other packages that are applied" - This mean we need 6 different EIA specialist who are registered with EPA and with minimum 5 years of experience. There is a limited number of Registered EIA consultants with minimum 5 years of experience- Is it possible to revise this requirement?	If the proposed EIA staff are the company's own staff, then they can be repeated in all packages.
2	Under 1.5 QUALIFICATIONS OF THE DESIGN AND CONSULTANCY TEAM: Please reconfirm qualifications of the Quantity Surveyor and Surveyor.	Quantity Surveyor- Minimum diploma in Quantity Surveying Surveyor- Minimum diploma in Surveying/Civil Engineering
3	Clarify whether can propose a person with Civil Engineering academic background for the role of Project Manager	Project Manager with Minimum bachelor's degree or Environmental Management/ Science or in a related field from built environment
