Consultancy Services for Survey, Design and EIA Works of Water Supply and Sewerage Facilities (IUL) 13-K/13/2019/104
CLARIFICATIONS -1

#	Party	Question	Answers
1	Riyan Pvt Ltd	1. Project Manager: Qualification required for PM was changed to "Minimum Bachelor's degree in Project Management or Environmental Management/Science or in a related field from built Environment.	Yes changed: a. Project Manager Minimum Bachelor's degree in Project Management or Environmental Management/Science or in a related field from built environment with minimum 10 years' experience in project management, along with specific experience in the field of Water Supply and Sewerage projects and Design Works such as buildings, resorts, water supply and sewerage work, coastal works, road projects etc. In addition, should be able to monitor and check of materials and equipment's as per approval or acceptable specifications and standards. Tertiary certification will be an added advantage.
2	Riyan Pvt Ltd	2. Qualification of the Surveyor: According to the TOR released for the proposal the qualification required is "Minimum Diploma in Surveying/ Civil Engineering with minimum 05 years experience in conducting land surveys and experience in checking payment invoices/Variation Orders of civil/ Time Extension cases, of electrical and mechanical works of Building and other miscellaneous works specifically in the field of Water supply and sewerage works. " -This was later amended during the EOI stage as the surveyor here mentioned is an environmental surveyor.	Yes changed: d. Quantity Surveyor Minimum Diploma in Quantity Surveying with minimum 03 years' experience in quantity surveying in checking payment invoices/Variation Orders of civil/ Time Extension cases, of electrical and mechanical works of Building and other miscellaneous works specifically in the field of Water supply and sewerage works.
3	Riyan Pvt Ltd	3. EIA consultant: The consultants were allowed to use the same EIA consultant for all 6 packages if the EIA consultant was a full time staff of the company (please refer to amendment 1 point 2 released for the project during EOI stage --> "if the proposed EIA staff are the company's own staff, then they can be repeated in all packages").	If the proposed EIA staff are the company's own staff, then they can be repeated in all packages.
4	Riyan Pvt Ltd	4. In addition to these changes, we would also like to request for a breakdown of eligibility assessment of the shortlisted consultants for the packages. This is in reference to 1.6 of the RFP: 1.6 SIMILAR ASSIGNMENTS To be eligible for this assignment, the consultancy firm must demonstrate past experience in performing the services (description of similar assignments, Value of such assignments). The Firm shall have carried out a minimum of Four (4) similar assignments with a minimum contract value of MVR 1,000,000.00 each.	Assessments will be done as per the marks given in RFP
5		5. It is mentioned that the Tertiary certification will be an added advantage. Kindly clarify the documents needed for the Tertiary certification	Tertiary education refers to any type of education pursued beyond the high school level. This includes diplomas, undergraduate and graduate certificates, and associate's, bachelor's, master's and doctoral degrees.
6		6. Kindly clarify whether the EIA can be international Expert. Further it is also requested that the EIA license mentioned under the EIA specialist may kindly be clarified.	EIA Expert should be a local person and he/she should submit a copy of their license
7		7. It has been mentioned that Consultant is required to conduct Environmental Monitoring and Reporting as per approved EIA Report by EPA for the Construction Phase only. However the assignment is for the preparation of DPR and Tender Documents only. Role of consultant during the construction phase and payment modalities	Please go through the the scope of works part of the TOR for the assignment closely. Work to be done during each phase is mentioned in the TOR and please be informed that payments will be given according to what is stated in TOR, based on completion of deliverables given.
8		8. It is mentioned that the consultants will provide their own office space for the project team. Therefore, it is requested to provide the location of project office to be established under the each package.	The information will be shared with the awarded party once the project is awarded
9		9. It is mentioned that the cost of insurance will MVR. It is requested that insurance coverage in equivalent amount of USD can also be considered.	Can be considered. Please note that any payment regarding the project will be made in Maldivian Rufiyaa.
