ADDENDUM - 3

Procurement of the:
Education Management Information Systems
- Design, Develop, Implement and Training
the Users
TES/2026/NC-005

Ministry of Finance and Public Enterprise

Ameene Magu, 20379

Male', Republic of Maldives

ADDENDUM NO. 03

Procurement Name: **Education Management Information Systems - Design, Develop, Implement and Training the Users**
Procurement Number: **TES/2026/NC-005**

RFP No.: MV-MOE-AEDP-495680-GO-RFP

Project: Maldives Atolls Education Development Project (AEDP)

Date: 25th June 2026

This Addendum is issued pursuant to the Request for Proposals (RFP) for the above-mentioned assignment and shall form an integral part of the RFP documents.

1. Amendments to the RFP

	Reference	Existing Provision	Amended Provision
1.1	Section II – PDS, ITP 19.1 and ITP 20.3	Proposal Validity and Proposal Security Validity dates	The Proposal Validity shall be valid until 02 November 2026 . The Proposal Security shall remain valid until 30 November 2026 , being 28 days beyond the Proposal Validity period.
1.2	Section II (Proposal Data Sheet) reference to ITP 20.3 (a-d)	Other types of acceptable securities: None	Section II (Proposal Data Sheet) reference to ITP 20.3, If a Proposal Security is specified pursuant to ITP 20.1, the Proposal security shall be a demand guarantee in any of the following forms at the Proposer's option: (a) an unconditional guarantee issued by a non-bank financial institution (such as an insurance, bonding or surety company); (b) an irrevocable letter of credit; (c) a cashier's or certified check; or (d) is hereby amended as follows: "an unconditional guarantee issued by a bank" If a bank guarantee is issued by a bank located outside the Purchaser's Country, the issuing bank shall have a

			correspondent financial institution located in the Purchaser's Country to make it enforceable, unless the Purchaser has agreed in writing, prior to Proposal submission, that a correspondent bank is not required.
1.3	Section III – Evaluation and Qualification Criteria, Sub-Factor 1.2.2	Reference made to ITP 20.10.	The reference to “ITP 20.10” is hereby corrected to “ITP 20.9”. The reference under the RFP was a typographical error.
1.4	Section III – Evaluation and Qualification Criteria – 2. Technical Evaluation, 2.1. Assessment of adequacy of Technical Proposal with Requirements in accordance with ITP 32.1 4. Senior Developer (d) & (f)	4. (d) Vue.js and TypeScript expertise 4. (f) Experience with Uni-App and NutUI	Section III – Evaluation and Qualification Criteria 2. Technical Evaluation, 2.1.4. Senior Developer (d) & (f) is hereby amended as follows: (d) Vue.js and TypeScript expertise or any other equivalent technologies and platforms. (f) Experience with Uni-App and NutUI or any other equivalent technologies and platforms.
1.5	Section III – Evaluation and Qualification Criteria 2. Technical Evaluation, 2.1. Assessment of adequacy of Technical Proposal with Requirements in accordance with ITP 32.1 3. Project Manager, (d) & (f)	3. (d) Vue.js and TypeScript expertise 3. (f) Proven Uni-App mobile development background	Section III – Evaluation and Qualification Criteria 2. Technical Evaluation, 2.1, 3. Project Manager, (d) & (f) is hereby amended as follows: (d) Vue.js and TypeScript expertise or any other equivalent technologies and platforms. (f) Proven Uni-App mobile development background or any other equivalent technologies and platforms.
1.6	Section III – Evaluation and Qualification Criteria Qualification requirement Table	c) Track record with Vue.js and TypeScript implementations	Section III – Evaluation and Qualification Criteria Qualification requirement Table 1.4.3 Organizational Experience (c) is hereby amended as follows:

	1.4.3 Organizational Experience (c)		(c) Track record with Vue.js and TypeScript implementations or any other equivalent technologies and platforms.
1.7	Section VII – Purchaser’s Requirements 1.3 Architectural Requirements to be met by the Information System 1.3.1.1.5 Frontend	1.3.1.1.5 Frontend: The frontend will be built using Vue.js 3.3.8, TypeScript 5.2.2, and Element-plus 2.6.0 or above. The user interface will interact with the backend services via RESTful APIs, using secure authentication mechanisms like JWT tokens. Uni-App 4.15 and above will be used to provide mobile support, enabling cross-platform compatibility for Android and iOS.	Section VII – Purchaser’s Requirements 1.3 Architectural Requirements to be met by the Information System 1.3.1.1.5 Frontend is hereby amended as follows: The frontend will be built using Vue.js 3.3.8, TypeScript 5.2.2, and Element-plus 2.6.0 or above, or other equivalent technologies/platforms that meet or exceed functional and technical requirements of EMIS. The user interface will interact with the backend services via RESTful APIs, using secure authentication mechanisms like JWT tokens. Uni-App 4.15 and above will be used to provide mobile support, enabling cross-platform compatibility for Android and iOS, or other equivalent technologies/platforms that meet or exceed functional and technical requirements of EMIS.
1.8	Section VII – Purchaser’s Requirements, Technical Requirement - ToR, 7.1 Technical Stack Requirements (3) & (5)	Frontend Framework: Vue 3.3.8, TypeScript 5.2.2, Element-plus 2.6.0 and above. Mobile: Uni-App 4.15 and above	Section VII – Purchaser’s Requirements, Technical Requirement - ToR, 7.1 Technical Stack Requirements (3) & (5) is hereby amended as follows: Frontend Framework: Vue 3.3.8, TypeScript 5.2.2, Element-plus 2.6.0 and above, or other equivalent technologies/platforms that meet or exceed functional and technical requirements of EMIS. Mobile: Uni-App 4.15 and above, or other equivalent technologies/platforms that meet or exceed functional and technical requirements of EMIS.

1.9	Section VIII - SCC GCC 37.1 (c) - Third-Party Liability Insurance	There are no Special Condition of Contract applicable to GCC Clause 37.1 (c)	The Supplier shall obtain Third-Party Liability Insurance in the amount of USD 500,000 with deductible limits of no more than USD 5,000. The insured Parties shall be the Ministry of Education, Higher Education Skills and Development, the Government of the Republic of Maldives, and the Supplier. The Insurance shall cover the period from the Effective Date of the Contract until the date of completion of the Contract and acceptance of all Deliverables by the Purchaser.
1.10	Section IX – SCC, GCC Clause 28.2 – Operational Acceptance Time Guarantee	0.005% of the Contract Price per day with a maximum limit of 15% of the final Contract Price	GCC Clause 28.2 is hereby amended as follows: “The liquidated damages for the whole of the project are 0.5% of the contract price per week. The maximum number of liquidated damages for the whole Information System is 10% of the final Contract Price.”
1.11	Section IX – SCC, GCC Clause 13.3.1 – Performance Security	Performance Security – USD 75,000. Environmental and Social (ES) Performance Security – USD 5,000.	GCC Clause 13.3.1 is hereby amended as follows: “The Performance Security shall be denominated in USD for an amount equal to five percent (5%) of the Contract Price, excluding any Recurrent Costs.” For the avoidance of doubt, SCC 13.3.4 remains unchanged and fully applicable. Upon issuance of the Operational Acceptance Certificate, the Performance Security shall be reduced to one percent (1%) of the Contract Price. The Environmental and Social (ES) Performance Security requirement is hereby revised to 0.25% of the Contract Price.

1.12 Section VII – Purchaser’s Requirements, A. Implementation Schedule Table has been amended as below

Line-Item No.	Subsystem / Item	Site / Site Code	Delivery (Proposer to specify in the Preliminary Project Plan)	Timeline (Weeks)	Acceptance (weeks from Effective Date)	Liquidated Damages Milestone
Implementation - Phase 1 (Inception)						
1	Project Inception & Mobilization (Kick-off, plan approval)	MOE		W1–W8	W9	No
2	Setup of server system	MOE				No
3	Stakeholder Consultation 1 Core EMIS (inclusive of SMIS) scope, initial functional & technical requirements)	MOE				No
4	System Design & Architecture Documentation – Draft Detailed functional and technical requirement document.	All Sites				No
5	Core EMIS Platform (Database, authentication, base UI)	MOE				No
Implementation - Phase 2 (Consulting, Developing, Piloting & Training of Four Key Modules and subsequent submodules)						
6	Module: Student information module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school	All Sites		W9–W18	W19	No

	principals, teachers, school administrator etc.					
7	Module: Human resource information module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	All Sites				No
8	Module: Curriculum & School Operations Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	All Sites		W19–W26	W27	Yes
9	Module: Assessment and examination module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules),	All Sites				Yes

	c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc					
Implementation - Phase 3 (Consulting, Developing, Piloting & Training of Four Key Modules and subsequent submodules)						
10	Module: Finance and Budget Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc	All Sites				No
11	Module: School infrastructure and inventory module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	All Sites		W27 – W35	W36	No

12	Module: Analytics, Reporting and Research Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	All Sites		W36 – W44	W45	Yes
13	Module: Communication Portal a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules), c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	All Sites				Yes
Implementation - Phase 4 (Quality Assurance, Acceptance and Handover)						
14	User Acceptance Testing (UAT) – All Modules	All Sites		W45 – W52	W52	No
15	Final Fixes & Pre-Acceptance Adjustments	All Sites				No
16	Ensuring Quality	All Sites				No
17	Operational Acceptance (Post implementation plan, technical	MOE				Yes

	documentation, API specifications, system installation files with guides)					
18	Training materials and user manual	MOE				No
19	Full functional EMIS & SMIS with all relevant training, technical and administrative materials.	MOE				Yes
20	Final Report	MOE				Yes

1.13 Section IX – Special Conditions of Contract, GCC Clause 12.1
 (a) Advance Payment (Payment 1) - 15% (Fifteen percent) of the entire Contract Price, exclusive of all Recurrent Costs, shall be paid against receipt of a claim accompanied by the Advance Payment Security specified in GCC Clause 13.2.

(b) System design, documentations and development, 80% (Eighty percent) of the contract price:

Terms of Payment Schedule has been amended as below

Line-Item No.	Subsystem / Item	Timeline	Percentage
Implementation - Phase 1 (Inception)			
Payment 2	Project Inception & Mobilization (Kick-off, plan approval)	W1–W8	5%
	Setup of server system		
	Stakeholder Consultation 1 (Core EMIS & SMIS scope, initial functional & technical requirements)		
	System Design & Architecture Documentation – Draft		
	Detailed functional and technical requirement document.		
	Core EMIS Platform (Database, authentication, base UI)		
Implementation - Phase 2 (Consulting, Developing, Piloting & Training of Four Key Modules and subsequent submodules)			

Payment 3	Module: Student information module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	W9–W18	12%
	Module: Human resource information module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.		

Payment 4	Module: Curriculum & School Operations Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	W19–W26	13%
	Module: Assessment and examination module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.		

Implementation - Phase 3 (Consulting, Developing, Piloting & Training of Four Key Modules and subsequent submodules)

Payment 5	Module: Finance and Budget Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.	W27–W35	20%
	Module: School infrastructure and inventory module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.		

Payment6	Module: Analytics, Reporting and Research Module a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc..	W36–W44	20%
	Module: Communication Portal a) Stakeholder Consultation, b) Module Development (inclusive of sub-modules) c) Piloting & Testing d) Training: System user, including administrator, MoE departments/sections staff, school principals, teachers, school administrator etc.		
Implementation - Phase 4 (Quality Assurance, Acceptance and Handover)			
Payment 7	User Acceptance Testing (UAT) – All Modules	W45 –W52	10%
	Final Fixes & Pre-Acceptance Adjustments		
	Ensuring Quality		

	Operational Acceptance (Post implementation plan, technical documentation, API specifications, system installation files with guides)		
	Training materials and user manual		
	Full functional EMIS & SMIS with all relevant training, technical and administrative materials.		
	Final Report		

(c) Recurrent Costs – Not Applicable

(d) Support and Maintenance: Offer ongoing support and maintenance services, including updates and security patches for 12 months minimum, 5% (Five percent) of the contract price

All other provisions of the Request for Proposals (RFP) shall remain unchanged. This Addendum No. 03 forms an integral part of the RFP documents and shall be read in conjunction with the original RFP and previous addenda.

Aminath Naheen Ahmed

Director, National Procurement

Note: The following documents are issued with this Addendum:

1. Bill of Quantities (BOQ) – N/A
2. Drawing – N/A
3. Technical Specification- N/A

The above documents form an integral part of this Addendum.
