Regional Head Quarters @ Addu City

S.Feydhoo Police Station is a proposed new construction project, having the police station building, police custodial building and garage building. Site is located in a reclaimed vacant land where there is small vegetation with 7 medium sized trees. The area of the site is 50,000 Sqft., The whole site is owned by Maldives police service and will be used for policing purposes after commissioning.

The main scope for this project comprises of all Structural and Architectural works, Electrical, Plumbing, Sanitary, Mechanical and Ventilation works as laid out in the drawings, BOQ and Specifications Provided. The contractor is also required to provide CCTV and Access Control systems points. Moreover, the provision of basic furniture for the Building is also part of the project scope.

The scope also includes a boundary wall, paving of the walkway and external lighting around the building.

Temporary water and electricity must be provided to the site by the contractor during construction phase.

Besides Site must have the following components,

- 1) A security post,
 - 2) Fencing around the whole site
 - 3) One toilet for labors use.
 - 4) Temporary workshop
 - 5) Storage building with in the site fence.
- Construction of accommodation building for labors and carrying out works of other projects within site is strictly prohibited.
 - Disposal of biodegradable waste and construction waste must be as per Wacom's regulations.
