

KEY PLAN : DH. MEEDHOO

The key plan shows a large rectangular area, likely a lagoon or a specific land parcel, outlined in black. To the left of this rectangle is a smaller, irregularly shaped area filled with a blue hatched pattern, representing a different land use or feature. A blue line traces a path around the perimeter of the rectangular area and the hatched area, possibly indicating a boundary or a specific route. The map is set against a light gray grid background.
