Revenues for November 2018 has increased by 14.5% compared to the same period last year, mainly contributed by non-tax revenues by over 118.7%. This is mainly due to dividend payments from SOEs and increase in collections from Airport Development Fee.

Recurrent expenditure for November 2018 increased by 30.9% when compared to November 2017 mainly due to increase in Administrative and Operational expenses. Expenditure on Grants, Contributions and Subsidies, notably spending on Aasandha and Subsidies more than doubled when compared to the same period last year.
