Contractor Comments

 The correct ANNEX 04- SITE MAP was not given. The given Space is not enough. Please provide the Correct " LOCATION"

N.Holhudhoo 30 housing units projects, the bid documents mentioned 4 storey building 30 units, we would like to clarify if 4 storey building 01 unit or 01 floor 1000sq.ft (01 Apartment) 01 unit.

Four storey Building 01 units 30 x 4 = 120 Apartments. The 01 floor 1000sq.ft 01 unit. Would total to 4 storey 7.5 building which would be equal to 30 Houses.

Give us details.

Response/Reference Document

Kindly find the clarification as follows:

- 1 units = 1000sqft
- 1 unit = 1 apartment
- 4 apartments per floor in each building
- Building is 4 storey height: which means 4 units x 4 storey = 16 units per building
- 2 building = 32 units (required number of units is 30)
- The provided area is sufficient for the required housing units and is in the correct location.

Note that there are no changes made to the site map.
