Project Name: Consulting Services for Topographic surveys and Land Use Plans (LUP) in 43 Islands

Project Number: TES/2021/C-003

Clarification 1

Query	Response
Whether one person can fill two roles in the team composition. eg: Surveyor and environment specialist.	One person cannot fill two roles. Please refer to the revised ToR
What are the documents required when submitting the EOI?	Refer to the Request for Expression of Interest and Revised TOR. Firms must submit Supporting Documents to demonstrate the experience of the Firm
Under the land use plan team, it is specified that The Urban/Land use specialist can be common to more than one package since maximum number of packages a single consultant will be awarded is three . The Urban/Land Use Planning Specialist will also be the designated Team leader for the Assignment. However, under the survey team it is again stated that The Chief Surveyor can be common to more than one package since maximum number of packages a single consultant will be awarded is two . Chief Surveyor will also be the designated Team leader for the Assignment.	Please refer to the revised ToR
Which team member should be proposed as the project team leader	Urban / Land use planning Specialist for Land use planning component. Chief Surveyor for Survey component.
What is the maximum number of packages that could be awarded to a single consultant?	3 packages.
As per clarifications uploaded on 27.09.2021 for the titled tender, we have further queries as the requirements are still very confusing and some of our previous queries were not answered The TOR mentions to include in the proposal a lump sum fee for carrying out the Assignments for each package separately - The advertisement for this tender mentions that it is a request for Expressions of Interest (EOI), in which case, a financial proposal is not required - can you confirm what is required here?	Please refer to the revised ToR
If we are to submit financial proposals, do we have to submit a single proposal with our pricing for all packages? Or do we need to submit separate proposals for each package (same with technical proposal including the team)	Separate proposals for each package required
The TOR refers to the urban planner AND the chief surveyor as team leader - which one of these should we propose as the team leader?	Urban / Land use planning Specialist for Land use planning component. Chief Surveyor for Survey component.
If 2.1 and 4.6 are to be removed from the TOR, what would be the eligibility criteria for the firm? Since the proposal submission date is in two days, we have also requested for an extension to the submission deadline	Please refer to the revised ToR
