1	<p>The BOQ provides that Site Clearance has to be carried out in accordance with the ESMP which provides details of vegetation and other details for the purpose of this. We hoped that the ESMP would be provided with the new extension for bid submission. However, the ESMP is still not provided and so we do not have a clear understanding of the site condition and therefore the cost it will bear for site clearance.</p> <p>Therefore, kindly send us the ESMP as soon as possible</p>	<p>Please provide costing for the works based on site area given on BoQ and site shape given on drawings. You can get information from council regarding the type and number of trees in the allocated area to get an estimate for vegetation clearance. If there is significant difference in the estimate and the number given in ESMP, we will consider a variation for the works.</p> <p>ESMP is not available at the moment.</p>
