1	Can a local party work as a sub-consultant with an international bidder, instead of forming a JV?	Yes
2	If the local firm is a sub-consultant, which application forms does the sub-consultant need to fill in? (The forms only mention about JV members and there is no mention of sub-consultant)	Please refer to Section 1, Clause 24.
3	IFP No and ICB No. we are aware IFP no appreciate if you could clarify the <b>ICB</b> meaning.	ICB stands for International Competitive Bidding.
4	According to Addendum 1 issued on 27th June, 2019 of WtE Plant Project at Thilafushi: S no. 1(Section 2, ITA 25.4), you added:  The qualifications of the other firms such as Applicant's subsidiaries, parent entities, affiliates, subcontractors shall be permitted.  The applicant shall fill out Affiliate Company Guarantee Form included in Section 4(Application Forms) for each subsidiary, parent entity, affiliate, subcontractor, etc. that the applicant submits for consideration of the Employer in determining its qualifications.  We feel confused of the requirement. In our case, we use parent company as the bidder but supported by its subsidiary companies' related project experiences, so should we also issue a Guarantee Form from the subsidiary companies for the parent company?	Yes.  This is in line with ITA 25.4 of addendum 1 "ITA 25.4: The applicant shall fill out Affiliate Company Guarantee Form included in Section 4 (Application Forms) for each subsidiary, parent entity, affiliate, subcontractor, etc. that the applicant submits for consideration of the Employer in determining its qualifications.
